

Book Sleeve Supply List

- **½ yard outer fabric**
- **½ yard lining fabric**
- **½ yard batting (low-loft cotton or fusible works great)**
- **Thread will be provided for \$1.25 or bring your own**

Optional / Helpful Extras (use ours or bring your own)

- **Rotary cutter & cutting mat**
- **Ruler**
- **Iron & ironing board**
- **Clips or pins**

If your batting is extra wide, you *might* get away with less than ½ yard—but ½ yard keeps things stress-free.

Page Saver Supply List

- **1/4 yard main fabric**
- **1/4 yard cuff fabric**
- **1/4 yard fusible interfacing (medium or lightweight, depending on stiffness you like)**
- **Thread will be provided for \$1.25, or bring your own**

Optional / Helpful Extras

- **Coordinating thread**
- **Rotary cutter & cutting mat**
- **Ruler**
- **Iron & ironing board**
- **Clips or pins**

If you prefer a softer page saver, you can go lighter on the interfacing—or even interface just the cuff. Happy to tweak this for your exact pattern ✨
